Safety Auto off + Anti-calc
2600 Watts

GC4520/30

Faster, Easier and Smarter

With our best gliding soleplate yet

The Philips steam iron Azur Performer combines powerful performance with ease of use. Combining easy Quick Calc Release with our 5-star-rated best-gliding T-ionicGlide soleplate and Safety Auto Off to give optimal ironing results, easily.

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Triple precision tip for optimal control and visibility
- Optimal weight for easier manoeuvrability over your garments

Easy gliding on all fabrics

- T-ionicGlide: our best 5-star rated soleplate

Safe ironing

- Quick calc release to remove scale from your steamer
- Self-Clean for effective calc removal
- Iron switches off automatically when left unattended

Fast and powerful performance

- 2600 W for quick heat-up and powerful performance
- Steam output of up to 50 g/min for better crease removal
- Steam boost up to 190 g

PHILIPS

Steam iron

Steam 50g/min; 190g steam boost T-ionicGlide soleplate, Safety Auto off + Anti-calc, 2600 Watts

GC4520/30

Highlights

2600 W for quick heat-up

2600 W for quick heat-up and powerful performance.

Steam up to 50 g/min

Continuous steam output of up to 50 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 190 g

The steam boost can be used for vertical steaming and tough creases.

T-ionicGlide soleplate

T-ionicGlide is our best gliding and scratch-resistant, 5-star rated soleplate with integrated Titanium-Oxide layer.

Self-Clean

In addition to the built-in calc container, the self-clean function of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

Automatic shut-off

The steam iron shuts off automatically when left unattended. It will switch off after 8 minutes when left standing on its heel rest and after 30 seconds when left resting on its soleplate or sides.

Auto Steam Control

Auto Steam Control takes away the worry of selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, a button groove and a sleek nose design. The Triple Precision tip enables you to reach into even the trickiest areas, e.g. around buttons or between pleats.

Optimal weight

The iron has an optimal weight for moving easily over any garment, making ironing less of a hassle and making it easy to move the iron constantly between the board and its heel rest.

Steam iron

Steam 50g/min; 190g steam boost T-ionicGlide soleplate, Safety Auto off + Anti-calc, 2600 Watts
