XL tube, 70 mm

Quick clean, in 90 sec
Easy assembly

HR1889/71

Your daily nutrition boost in just 1 minute

Healthy juicing made easy, every day

Drink your daily shot of healthy juice. Philips' masticating juicer is the ultimate juice machine. This slow juicer features an XL feed tube - so you can juice whole fruit, vegetables and leafy greens. Rinses clean in just 90 seconds.

Designed with style - to keep on your countertop

- Compact storage of pulp container inside juice collector
- Slender, modern design, so it's always to hand

Releases more nutrition from fruit and vegetables

- Bursting with recipes, tips and inspiration
- Juice all your favourite fruit, including pomegranate

Rinses clean in just 90 seconds

- Detachable parts are also dishwasher safe
- QuickClean technology with easy-to-clean micro-sieve
- With drip stop to keep counter tops clean

XL feeding tube

- Wide-mouth 70-mm feeding tube

PHILIPS

Highlights

NutriU app

Download and discover the NutriU app with ideas on how to make your favorite juices with the help of your new juicer. Healthy eating should be simple and leave your family wanting more. That is why the NutriU app offers a variety of healthy alternatives of your favorite dishes. From refreshing juices to home-made almond milk, we create our healthy recipes without compromising on delicious taste.

Compact storage

Compact storage of pulp container inside juice collector

Dishwasher-safe parts

Thanks to our unique design, you can quickly assemble and start using your new masticating

juicer. It's also easy to take apart, and quick to clean. All detachable parts can be safely cleaned in your dishwasher - which makes it even easier to clean up after your daily juice session.

Masticating technology

Release nutritional goodness from fruits and vegetables with up to 80% extraction*. A great slow juicer for leafy greens.

Clean-up in 90 seconds

With QuickClean technology - including our easy-to-clean micro-sieve. All parts are easy to remove and rinse.

Modern design

Slender, modern design, so it's always to hand

XL feeding tube

Save time and start juicing faster. You no longer need to cut up most fruit and vegetables to fit this juice machine. Just pop it all into the 70-mm XL feeding tube, and enjoy a boost of nutrition every day.

Stop those drips

Your kitchen counter top will stay nice and clean, thanks to our integrated drip stop.
