- Detachable 1.6 l water tank

Comfortable ironing

- Ergonomic and lightweight 1.2 kg iron

Reduce energy consumption

- Save 20% energy and 40% water consumption

PHILIPS

Highlights

Up to 5 bar pressure

5 bar

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing both faster and better. Steam power can be regulated to suit your needs.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upwardly sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the

repetitive movements caused by placing an iron on its heel. The iron is light (1.2 kg) for an easy and comfortable ironing experience.

Automatic cord winder

Thanks to the automatic cord winder, you can just press the button to automatically retract the power cord.

Detachable 1.6 l water tank

A large water tank capacity enables you to iron with steam without having to refill. The tank can hold a large amount of water so you can iron for up to 3 hours uninterrupted. Being detachable, you can easily re-fill the tank any time. It gives you endless, powerful steam.

Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

Easy Rinsing

In order to improve the lifetime of your system iron we recommend you rinse the inside of your system base. This has been made easily accessible with the easy rinse knob. You don't need any accessories to rinse your system iron.

Steam boost up to 200 g

The steam boost can be used for vertical steaming and tough creases.

Eco-setting

ECO

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Specifications
