# Highlights

## Non-stick grilling plate

Non-stick surfaces allow you to cook without any added oil, so you only taste the flavour of the food

## Adjustable thermostat

Wide temperature range (70°C to 230°C) so you can choose the ideal temperature for each ingredient, ensuring perfect results for all food

## Constant heat

High power for heating up fast and keeping a constant heat

## Sloped grill body

Sloped grill makes the excess fat flow into the grease tray, therefore decreasing the smell and smoke

## Aroma infuser

Aroma infuser to enrich the taste of food with natural flavours of herbs or wine

## Recipe book included

A recipe book with more than 30 tasty, inspiring recipes and with expert tips is included.

## Dishwasher-safe grilling plate

Dishwasher-safe plate, which is detachable, enables easy cleaning

## Hot steam grilling

Grilling with hot steam to enjoy grilled food that's more tender

## Ribbed-and-smooth grill plate

The versatile grill plate gives you the choice of cooking with either a ribbed or smooth grilling surface, so you can enjoy your food the way you like it. The smooth area is suitable for stir-frying and grilling small pieces of food. The ribbed surface creates that irresistible flame-grilled effect.
