Dry and style your hair easily from root to tip

SalonDry 'n Straight

Want a straight shiny finish to your blow dry? The SalonDry 'n' Straight features 1800 W of ionic drying power plus a floating comb to help you finish your straight style perfectly all over.

Easy to use

- Removable air inlet grill for easy cleaning
- 1.8 m power cord
- Easy storage hook for convenient storage

Beautifully styled hair

- 1800 W for beautiful results
- Narrow concentrator for focused airflow
- Six flexible speed and temperature settings for full control
- Floating comb allows you to straighten from root to tip
- Straightening comb catches and guides the hair easily

Less Hair Damage

- Ion conditioning for shiny, frizz-free hair

Long-lasting styles

- Cool Shot sets your style
- Tourmaline and flock guiding for extra shine

Highlights

Straightening comb

The airflow is directed on to the comb as it glides through the hair to achieve beautiful straight results easier than ever. The comb can be used for precision straightening or for adjusting.

Floating comb

The floating comb follows the curves of your scalp and allows you to straighten your hair from root to tip.

1800 W

This 1800 W hairdryer creates the optimum level of airflow and drying power, for beautiful results every day.

Six flexible speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Narrow concentrator

The concentrator of the hair dryer works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch-ups or to finish a hair style.

Ion conditioning

Give your hair an instant boost with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Tourmaline and flock guiding

Tourmaline and flock guiding for extra shine

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

1.8 m cord

1.8 m power cord

Removable air inlet grill

The air inlet grill of this hairdryer can be removed for cleaning. Remove and clean regularly to prevent build-up.
