# PHILIPS

# Highlights

## Top and bottom heating cooks rice more evenly

Top and bottom heating cooks rice more evenly

## Automatic 12 hours keep warm

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keep warm mode

## One touch button

One-press button to control cooking or keep warm, with clear light on the panel to show cooking status

## Advanced lid design

Cool surface, easy to access with one touch button

## non-stick inner pot

The Philips rice cooker is specially coated with the non-stick material which is more durable and easy to clean.

## Swing handle

Convenient and safe for carrying the Philips rice cooker away from the kitchen or serving rice in dining room.

## water level indicator

Clear water level marking shows capacity and rice-water ratio

## Detachable power cord for convenient storage

Detachable power cord for convenient storage
