### **Makes grilling indoors a comfortable experience**

- Integrated grease tray to collect the excess fat
- Sloped grill to drain excess fat away
- Detachable dishwasher-safe plate for easy cleaning

# PHILIPS

# Highlights

## Duo plate

The duo plate is reversible and therefore lets you cook with either a ribbed or smooth grilling surface, so that you can enjoy your food exactly the way you like. The smooth plate is suitable for cooking small pieces of food. The ribbed surfaces create that irresistible flame-grilled effect on your pieces of meat.

## Grease tray

Excess grease is drained into a dishwasher-safe grease tray

## Non-stick grilling plate

Non-stick surfaces allow you to cook without any added oil, so you only taste the flavour of the food

## Sloped grill body

Sloped grill makes the excess fat flow into the grease tray, therefore decreasing the smell and smoke

## Adjustable thermostat

Wide temperature range (70°C to 230°C) so you can choose the ideal temperature for each ingredient, ensuring perfect results for all food

## Dishwasher-safe grilling plate

Dishwasher-safe plate, which is detachable, enables easy cleaning
