# Highlights

## Crevice nozzle and small brush

The crevice nozzle accessory lets you reach easily into narrow spaces such as between cushions or behind the microwave.

## Electronic power control

The electronic power control on the appliance makes it possible to select the right suction power for the surface you are vacuuming.

## Telescopic tube

The vacuum cleaner is equipped with a 2-piece metal telescopic tube. The tube can be easily adjusted to your preferred height.

## 1600 Watt motor

1600 Watt motor generating max. 330 Watt suction power
