- Lightweight iron for effortless ironing

Reduce energy consumption

- Save 20% energy and 40% water consumption

Iron up to 3 hours without refilling

- Extra-large detachable 1.4 litre water tank

PHILIPS

Highlights

Up to 5 bar pressure

Up to
5 bar

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing both faster and better. Steam power can be regulated to suit your needs.

Detachable water tank

Xtra Large detachable water tank

To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra-large 1.4 l water tank reduces the need for refilling.

Lightweight

The iron is only 1.2 kg making ironing easy and effortless.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

Steam boost up to 210 g

The steam boost can be used for vertical steaming and tough creases.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.
