Advanced cleaning

Toothbrush for gentle cleaning of teeth and gums

Innovative technology delivers better results. Now there's a guaranteed way to better oral health. It's the new Philips Sonicare FlexCare electric toothbrush that adapts to your oral care needs.

Proven to improve oral health

- Improves gum health in only two weeks
- Philips Sonicare toothbrush helps whiten teeth

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Provides a superior clean

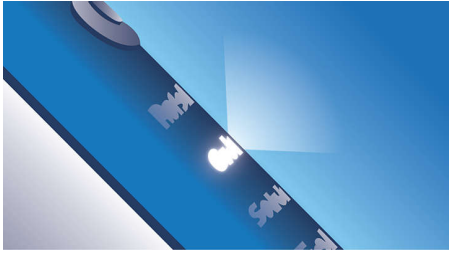

- DiamondClean toothbrush head for Sonicare's best whitening
- Sonicare dynamic sonic action drives fluid between teeth
- Removes up to 7 x more plaque than a manual toothbrush

Offers a customised brushing experience

- Easy-start programme to acclimate to the Sonicare experience
- Three different modes for a better cleaning experience

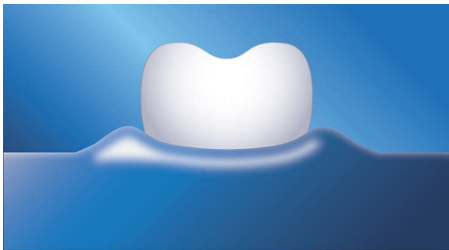

Highlights

Three different cleaning modes

The three modes include a Clean mode for an outstanding clean in 2 minutes, a White mode for removing surface stains and a Massage mode to stimulate the gum.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Helps whiten teeth

This Philips Sonicare electric toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

Removes up to 7 x more plaque

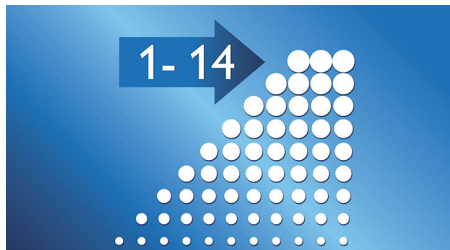

Removes up to 7 times more plaque from hard-to-reach places than a manual toothbrush

DiamondClean brush head

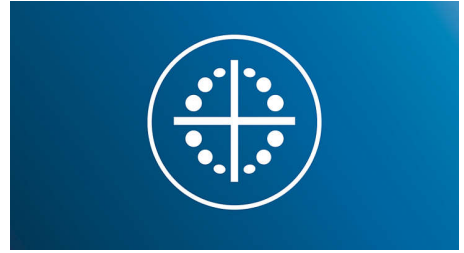

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond shaped bristles to effectively yet gently remove surface stains and scrape away plaque. Removes stain build up from coffee, tea, red wine, cigarettes and tobacco in just 1 week.

Easy-start programme

Gently increases power over first 14 uses to ease you into the Philips Sonicare electric toothbrush experience

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on, resulting in more consistent cleaning throughout your mouth

Smartimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Sonic technology

The Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gum line.
