- Ergonomic in day to day operation
- Suitable for ground coffee and pods
- Delicious milk froth thanks to the classic milk frother

Large espresso capacity

- 2.5-litre water tank for high capacity

 **Saeco**

Highlights

Pressurised Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema — whatever coffee blend you may choose.

Ground coffee and pods

For your convenience you can choose between ground coffee and pods

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Cup warmer

This feature allows you to not only store your espresso cups and glasses right on the espresso machine, it also pre-heats them letting the aroma unfold even better and guaranteeing a long-lasting crema

Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.

2.5-litre water tank

The large water tank allows for lots of coffees to be made, with less refilling

Painted metal body

The painted metal body is sturdy and guarantees you long lasting Espresso experience.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!
