

Philips PerfectCare
Compact
Steam generator iron

Max 5.3 bar pump pressure

Up to 280 g steam boost
1.5-l water tank capacity
Carry lock

GC7808/40

Iron faster with 2 x more steam*

Philips' most compact steam generator

Compact and lightweight, providing powerful continuous steam, the PerfectCare Compact steam generator iron makes fast work of all your ironing.

Compact technology

- Lightweight and compact size for easy storage
- Large water tank for longer continuous use
- Safe and secure carry lock

No temperature setting needed; no burning, guaranteed

- Go from ironing jeans to silk; no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Integrated easy-clean system for long-lasting performance
- Superior gliding soleplate and scratch resistance
- Save energy with ECO mode

PHILIPS

Highlights

Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

Safe rest

Innovative OptimalTEMP technology guarantees no burning on any ironable fabric. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

1.5 l water tank

The water tank has a 1.5-l capacity, so you get the convenience of up to 1.5 hours of continuous use with no need to top up the tank. It's also transparent, so you can get a 360° view of the tank to easily see how much water you have left to continue creating steam efficiently. When you do need to refill, your steam generator iron has a large filling hole that allows you to easily fill the water tank under the tap, or alternatively with a jug or bottle at any time during ironing.

Smart Calc clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected; your steam generator will beep once it's finished and ready to use again.

Lightweight and compact size

Thanks to revolutionary ProVelocity technology, we've been able to make a steam generator more compact than ever before. The smaller size fits perfectly on your ironing board for convenience, and carrying it around is made far easier. Plus your steam generator iron will take up much less storage space.

Steam generator iron

Max 5.3 bar pump pressure Up to 280 g steam boost, 1.5-l water tank capacity, Carry lock

Specifications

Calc management

- Calc clean solution: Demineralised water

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Easy to use

- Water tank capacity: 1500 ml
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 4 stars
- Soleplate name: SteamGlide
- Safety auto off
- Cord freedom (swivel): 180 degree cord freedom
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.6 m
- Integrated power plug
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 4 stars

Accessories included

- Calc clean container

Guarantee

- 2 year worldwide guarantee

Technology

- OptimalTEMP technology
- For all ironable fabrics
- No burns

- No temperature settings needed
- ProVelocity steam engine
- Smart Control Processor

Fast crease removal

- Pressure: max 5.3-bar pump
- Power: 2400 W
- Steam boost: Up to 280 g
- Continuous steam: Up to 120 g/min
- Vertical steam
- Voltage: 220-240 V
- Ready to use: 2 min
- Variable steam levels
- Steam-on-demand

Green efficiency

- Energy saving mode
- Energy saving*: 30 %
- Recycled plastic used: 30 %
- User manual: 100% recycled paper

Scale management

- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, no cartridges needed, no extra

Size and weight

- Weight of iron: 1.2 kg
- Packaging dimensions (W x H x D): 23 x 27.5 x 39.3 cm
- Product dimensions (W x H x D): 19.3 x 22.3 x 37.3 cm
- Total weight with packaging: 3.85 kg
- Weight of iron + base: 2.95 kg
