PHILIPS

Highlights

Coffee milk specialities

With Philips SENSEO® Latte Select you can prepare delicious Cappuccino, Latte Macchiato or Café Latte with rich and harmonious flavour thanks to a perfect balance of coffee, water and milk. It is time to treat your senses to the fullest!

Removable fresh milk container

The removable SENSEO® fresh-milk container allows quick refills and easy cleaning.

Automatic frothing system

The automatic milk frother of your SENSEO® Latte Select coffee machine allows you to prepare various coffee specialities with freshly frothed milk with a rich milk foam layer.

Easy-clean function

With the Easy-Clean function you can remove milk residues from your machine in a fast and comfortable way. It also indicates when cleaning or decalcification is required.

Dual heating system

The dual heating system of your SENSEO® Latte Select coffee machine allows you to heat milk and coffee at the same time. This shortens the preparation time and lets you enjoy your delicious coffee specialty longer.

Unique brewing system

Unique SENSEO® coffee brewing system from Philips and Maison du Café. Every cup is freshly brewed and prepared with the ultimate balance between coffee and water - a guarantee for a smooth full taste and delicious aroma.

Large coffee pod variety

With more than 250 years of experience, Maison du Café knows exactly how to roast and grind carefully selected coffee beans for the best taste. Therefore Maison du Café SENSEO® coffee pod varieties represent the finest coffee selection as a guarantee for premium taste. The different blends and

flavours ensure a wide range of choice for different moments and tastes.

Delicious coffee foam layer

The fine Maison du Café SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and high quality.

Volume select

The Volume Select function allows you to choose the desired amount of either black or specialty coffee.

Adjustable cup tray

The adjustable cup tray of your SENSEO® Latte Select coffee machine accommodates different cups sizes, from short Cappuccino cups to tall Latte Macchiato glasses
