Fast de-wrinkling for great results

- Dual Heating technology for powerful penetrating steam
- OptimalTEMP, no burns guaranteed*

PHILIPS

All-in-One ironing solution

Adjustable board Powerful and continuous steam , Dual heating technology, OptimalTEMP heated plate

GC628/86

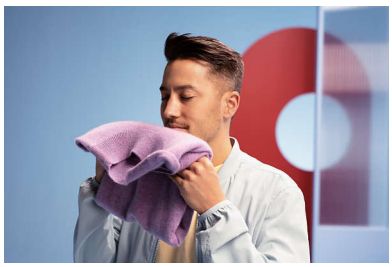

Highlights

Adjustable board

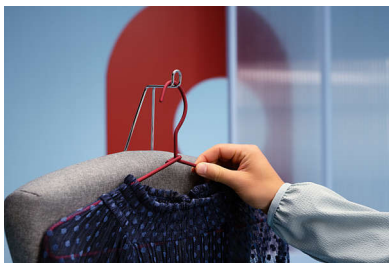

The multi-angle board can be pivoted to any position you require, for a flexible and convenient experience.

Kills 99.9% bacteria**

Kills 99.9% of bacteria** and removes odors to keep clothes refreshed and prolong their lifetime.

Fold-away top hook

The top hook conveniently hangs your garments from a clothes hanger and then easily folds away if you don't need it.

Dual Heating technology

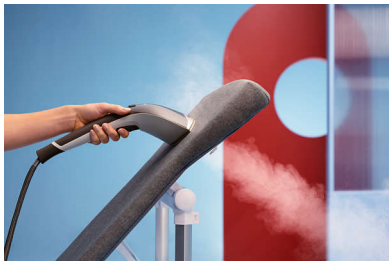

Dual-heating technology enables powerful penetrating steam to banish creases ensuring your clothes look their very best.

Powerful and continuous steam

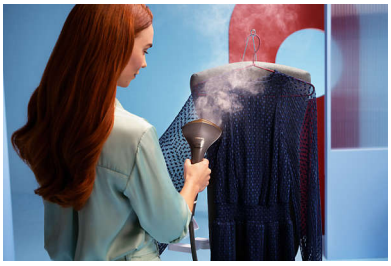

The continuous steam rate delivers effortless steaming, with the perfect amount of steam to remove creases and make fast work of all your ironing.

4-layer board cover

The board cover is designed using 4 layers to prevent drips when using the board at different angles, helping to speed up your results for any of your garments.

OptimalTEMP heated steam plate

OptimalTEMP technology guarantees no burns on any ironable fabric, you can iron everything from jeans to silk with one optimal temperature setting.

Triple precision tips

The steam plate on the device features triple precision tips, designed to tackle hard-to-reach areas like collars and in-between buttons with ease.

Rotatable steamer dock

Easily store the steamer head in the rotatable dock which enables you to always have the steamer within reach.
