PHILIPS

Blender
800 W 2 L glass jar, with spatula, ProBlend 6

HR2096/00

Highlights

Unique jar

Blade positioned off-center in the jar will create turbulence and mixing ingredients in the most effective way.

800 W motor

This Philips blender has a strong 800 W motor for blending, mixing and crushing effectively.

2 L glass jar

The 2 L jar is made of high quality glass which is scratch proof, and allows to process hot ingredients.

Variable speed control with illuminated display

Set the blender to the speed you want with this unique control knob.

Programmed ice crush function

Motor will operate pre-programmed sequence to crush ice easily with the touch of a button

Pulse and smoothie button

Pulse button to control the operation whatever you want and smoothie button for

making the best tasting smoothie by pressing once.

Spatula

The handy spatula of the Philips blender ensures a safe stirring while blending the ingredients.

Detachable blade unit

Easy cleaning with detachable blade unit

Dishwasher safe

All parts are dishwasher safe, except for the main unit and blade assembly.
