PHILIPS

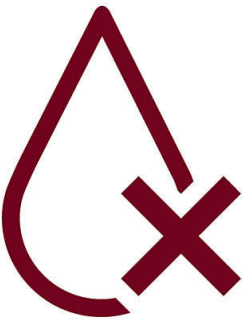

Highlights

Water level indication

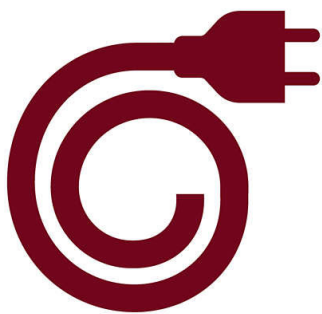

Fill the water tank easily and precisely with the water level indication.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

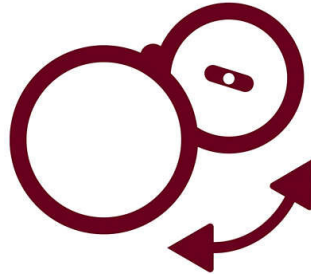

Cable storage

Spare cable can be stored in the cable compartment under the coffee maker. It

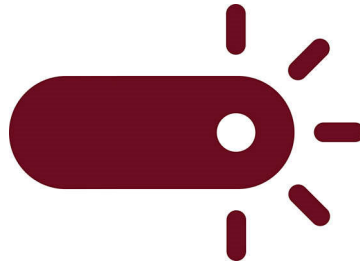

enables placing the coffee maker nicely in your kitchen.

Swing filter holder

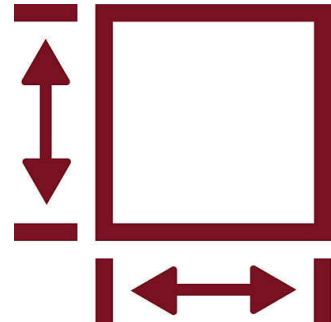

The filter holder is opened by swinging it to the side, which makes the filling of coffee easy. The filter holder is also detachable, for easy cleaning.

LED power switch

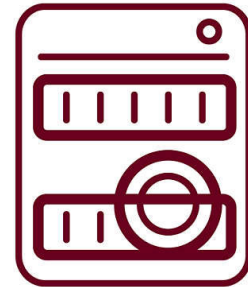

The red light on the switch button illuminates when the coffee maker is switched on.

Compact design

This coffee maker is especially designed for brewing 2 up to 7 cups of coffee (maximum 0,6 liter). Thanks to its very compact design, this coffee maker takes little place in your kitchen.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.
