PHILIPS

Highlights

Micro mesh filter

Micro mesh filter made of stainless steel

Extra large feeding tube

The extra large feeding tube swallows whole fruit and vegetables so you don't need to cut or chop them anymore.

Extra large capacity

2 l pulp container and 1,5 l juice jug allow you to juice more juice in one go.

Multiple speed control

With the multiple speed settings of your Philips juicer you can easily juice soft or hard fruits and vegetables.

Powerful motor

Juices at speed with the powerful 700 Watt motor.

Dishwasher-safe

All removable parts can be cleaned in the dishwasher.
