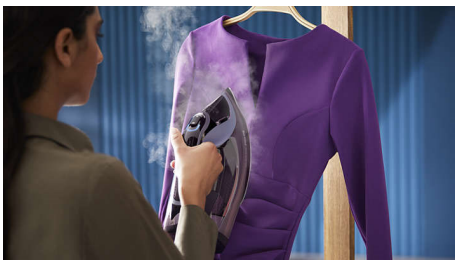
PHILIPS

Steam Iron
3000 W Power No burns guaranteed, SteamGlide Elite Soleplate, 55 g/min continuous steam

DST8021/36

Highlights

Vertical Steam



The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

Continuous steam up to 55 g/min

With a continuous steam output of 55 g/min, no glide over your garments is wasted so you can remove creases faster.

3000 W for fast heat up

Get started on your ironing in no time with more power for fast heat-up.

Steam boost up to 240g

240g strong steam boost to remove stubborn creases from all your garments.

No burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

SteamGlide Elite Soleplate

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. Super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

300ml Water Tank

Fewer refills are required thanks to a large 300ml water tank. So you can iron more clothes in one go.

Auto shut-off

To give you peace of mind the steam iron automatically switches itself off after 8 minutes.

Quick calc release

The quick calc release helps to maintain peak performance by removing calcium build-up or limescale.
