- Shaving heads move in 8 directions for a smoother result

### Get the most of your shaver

- SmartClean maintenance at the touch of a button
- Even-up your mustache and sideburns
- Convenient case for on-the-go

# Highlights

## Contour Detect Technology

The Philips shaver is an electric shaver that delivers our closest shave ever\*. Its Contour Detect technology gently follows your facial contours to capture 20% more hairs\* in a single pass.

## V-Track Precision Blades

Not only do the V-Track Precision Blades give you a super-smooth shave that's 30% closer\*, they're also self-sharpening for continued results day after day.

## Personal Comfort Settings

Choose between normal or sensitive to create a shaving experience that best suits your skin. If you're in a hurry, select the fast setting to save some time.

## Shave Wet or Dry

The wet and dry shaver can be used to your preference. At the sink or in the shower, get a convenient dry shave or pair with your favourite foam or gel for a refreshing wet shave.

## SmartClean System

The SmartClean System cleans, lubricates, dries, and charges your Philips shaver at the touch of a button. Keeping it performing at its best, day in and day out.

## 5 level LED display

You can easily see how much power is left with the 5-level LED display. Your Philips close shaver will not only tell you when it's time to charge, it has indicators for locking, cleaning and replacing the head.

## Super Lift & Cut Action

Twin blades of this precision shaver give you a supremely close shave. The first blade lifts the hair, while the second comfortably cuts below skin level, which gives you exceptionally smooth results.

## SmartClick Precision Trimmer

Refine and define your mustache and sideburns with the SmartClick precision trimmer—and complete your look with ease.

## 50 minutes of cordless shaving

Shave longer and more powerfully. With the long-lasting lithium-ion battery, 1-hour is enough time to fully charge your shaver, while the 5-minute power boost is enough for a single shave. It also operates cordlessly for safe use in the shower.
