PHILIPS

Highlights

Easy to clean filter

Washable foam filter for life-long performance.

Easy to empty dust container

The dust container is carefully designed to dispose collected dirt without creating a dust cloud. It is one-hand operated and thanks to its unique shape and smooth surface, you can easily control the emptying of the dust container.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther

reach, so you can easily clean hard to reach places.

Small sized appliance

Small sized appliance for compact storage.

Crevice tool

Crevice tool help you to clean your furniture.

1400 W motor

This vacuum cleaner has an efficient 1400 Watt motor generating high suction power for good cleaning results.

PowerCyclone technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

Light weight and compact

You can easily carry and roll the vacuum cleaner around when cleaning thanks to its light weight and small size.

Extra handle for easy carrying

Extra handle for easy carrying with cord winder function.
