Perfect beard and stubble, made easy

The Philips Norelco BeardTrimmer 3500 gives you the perfect beard and stubble, with less hassle. The trimmer's 20 built-in length settings deliver a precise and customizable trimming experience without the need for multiple attachments.

Easy to use

- Easy to grip
- 2 year guarantee, worldwide voltage, no oil needed
- Simple maintenance
- 90 minutes of cordless use after a 1 hour charge
- Light indicates the battery status (low / full/charging)

Skin friendly performance

- Skin-friendly rounded tips for smooth skin contact
- Superior cutting performance with titanium-coated blades

Precision

- Easy to select and lock-in length settings, 0.5mm to 10mm
- 0.5mm precision

Beardtrimmer 3500

Beard & stubble trimmer, Series 3000

QT4014/42

Highlights

Perfect stubble every day

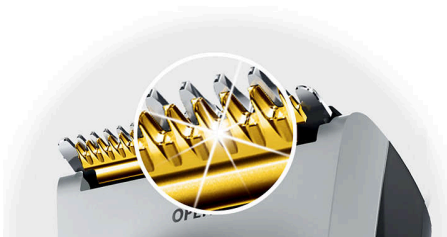

Set the trimmer at the lowest position for a perfect stubble, just 0.5mm long.

20 lock-in length settings

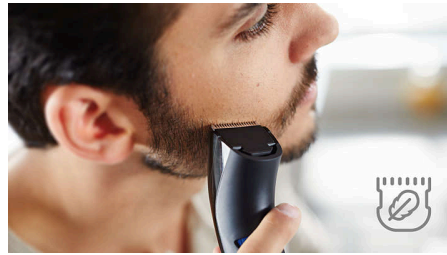

Turn the wheel to simply select and lock-in the length settings you want: from a 3-day beard of 0.5mm up to a full beard of 10mm, in precise 0.5mm steps.

Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Battery status

Battery light is green when full, blinks orange when low and blinks green when charging.

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

Corded and cordless use

Use it cordless or plugged in. You'll have 90 minutes of cordless power after 1 hour of charging.
