Highlights

Lift & Trim PRO system

Stubble doesn't stand a chance. The Lift&Trim Pro system captures all your low-lying hairs and lifts them up toward the blades for a precise cut – whilst still being an ideal trimmer for long beards too.

Self-sharpening metal blades

Suitable for even the thickest hair, the double-sharpened blades guarantee precision edges and superior trimming every time. No oil or replacement blades required.

40 lock-in length settings

Cut to the exact length you're after. Just spin the precision dial to one of 40 length settings between 0.4-10 mm in 0.2mm increments.

Customizable precision

Personalise your grooming routine with precise styling steps to suit every beard. There are 0.2mm steps between 0.4-2mm for short beard styling, 0.5mm steps between 2-5mm to achieve an even 3-day beard 1mm steps above 5mm for long beard maintenance.

Precision trimmer

Add extra definition to the details, even in hard to reach areas, with the click-on precision trimmer.
90 min corded/cordless use

Don't get tangled up in your stubble trimmer – a 1 hour charge provides up to 90 minutes of cordless grooming time. Or keep it plugged in for uninterrupted trimming. The 5 minute quick charge function gives you enough power for one trim.

100% waterproof

The 100% waterproof beard trimmer, simply rinse it under the tap for a thorough, easy clean.

Beard trimmer built to last with no oil required

All of our Beard trimming products* are built to last. They come with a standard global 2 year warranty, including the option to extend up to 5 years** and they never need to be oiled.

Battery indicators

The battery indicators in this trimmer let you know what your battery status is: Low, empty, charging or full. This way, you can charge your trimmer on time and fully, so you won't end up with an empty battery in the middle of your trim.
