Bagless vacuum cleaner

2000W
HomeCare

FC9202/01

Professional cleaning

with high cleaning power that lasts and lasts

Thanks to Philips' new Cyclone Filter technology, the bagless Marathon delivers suction power that lasts. Its efficient design and 2000 W motor deliver very high max. suction power in its category, and it's the quietest bagless available.

Easy cleaning, even around furniture

- TriActive nozzle with unique 3-in-1 action

Traps dust and allergens inside

- EPA 12 filter with 99.5% filtration of dust

Thorough cleaning results all the time

- 2000 Watt motor generating max. 350 Watt suction power
- High performance cyclone filter for lasting suction power

PHILIPS

Specifications

Design

- Color: White

Performance

- Input power (IEC): 1800 W
- Input power (max): 2000 W
- Noise level (Lc IEC): 76 dB
- Suction power (max): 350 W
- Vacuum (max): 30 kPa
- Airflow (max): 40 l/s

Usability

- Action radius: 10 m
- Cord length: 7 m
- Tube coupling: Button
- Carrying handle: Top and front

- Tube type: Metal lacquered 2-piece telescopic tube
- Power control: Electronic on appliance
- Wheel type: Rubber

Nozzles and accessories

- Accessories included: Brush, Crevice tool, Small nozzle
- Standard nozzle: TriActive nozzle
- Accessory storage: On handgrip

Weight and dimensions

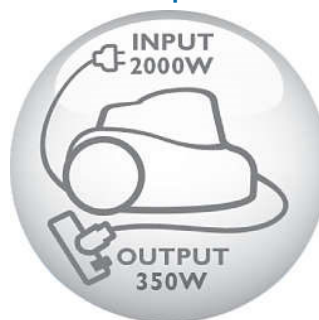

- Weight of product: 7.2 kg

Filtration

- Dust capacity: 2 L
- Exhaust filter: Super Clean Air HEPA 12 filter

Highlights

Powerful and quiet motor

The Marathon's powerful 2000 Watt motor generates very high max. suction power in its category. Its efficient design makes it also exceptionally quiet.

Lasting suction power

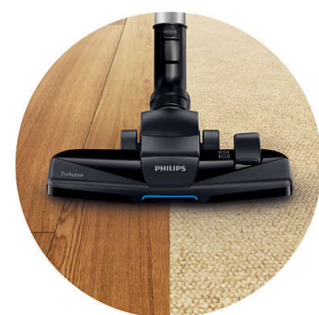

Thanks to its Cyclone Filter technology, the Marathon maintains a high level of suction power over time, whereas average vacuum cleaners lose suction power quickly as their dust bag or filter becomes clogged.

EPA 12 filter

This special outlet filter captures 99.5% of the dust before the air is blown back into your room, ensuring a clean, dust-free, environment.

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimized airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.
