Reset your shaver to new

Replace every 24 months for a shaver like new

Within two years, your shaver heads cut 9 million hairs on your face. Replace the shaver heads and get back to 100% performance.

Easy to use

- Change heads every 24 months for the best performance
- Reset your shaver very simply

Compatibility

- For shavers series 5000 and 6000 rounded shape

Performance

- Fast and close shave

Sustainability

- Recyclable packaging*

Highlights

MultiPrecision blades

The MultiPrecision blades raise and cut all hairs and remaining stubble – all in a few strokes.

Compatibility

Check the back of your shaver's handle to confirm replacement head. Need help? Visit philips.com/accessories

Simple replacement

1. Open the shaver by pressing the "release" button; 2. Remove the retaining rings by turning them counterclockwise; 3. Take out the old

shaving heads and carefully insert replacements; check that the heads align exactly in the setting; 4. Replace the retaining rings and secure them by turning the lock clockwise; 5. When you close the shaving head properly, you will hear it click into place.

Reset your shaver to new

Replace the shaver heads every 24 months to ensure best performance or your device.

Recyclable packaging*

At Philips we strive for sustainability in all aspects of product development. This packaging comes without plastic parts and is fully recyclable*.
