

# PHILIPS

## Epilator Satinelle Ice

Pink

HP6492/00

## Unique ceramic epilation system from Philips

Ice and massage for a more gentle hair removal

Thanks to the soothing properties of ice and an integrated massage system, the new Satinelle Ice significantly reduces the pain normally associated with epilation. The hypoallergenic ceramic disc system is also gentle on sensitive skin.

### **Additional benefits**

- Additional shaving head
- Exfoliating body puff
- New ergonomic design
- Two speed settings

### **Advanced pain reduction system**

- Click-on ice cooler
- Integrated massaging system
- Pivoting cooling head

### **Unique ceramic epilating head**

- Curved epilating head
- Higher rotation speed
- Hypo-allergenic ceramic epilating head

# Highlights

**Click-on ice cooler**

The patented ice cooler soothes the skin reducing the unpleasant feeling of epilation. Its pivoting head follows every curve of your body for optimal cooling and less pain.

**Pivoting cooling head**

Follows the body's contours for maximum pain reduction during epilation and an immediate cooling and soothing effect on the skin afterwards.

**Integrated massaging system**

Works with the skin cooler to distract from the sensation of epilation.

**Hypo-allergenic ceramic head**

Better skin care by reducing the risk of allergic skin irritation.

**Curved epilating head**

For improved grip on hair, ensuring that up to 95% of hairs are removed at the root in one stroke.

**Higher rotation speed**

For more effective hair removal.

**Exfoliating body puff**

Reduces ingrown hair.

**Additional shaving head**

For smooth shaving of underarm and bikini areas.

**New ergonomic design**

For easier handling.

**2 speed settings**

Speed 1 for fine hair, speed 2 for thicker hair.

# Specifications

**Weight and dimensions**

**F-box dimensions:** 19,6 x 9,4 x 23,5cm (width x depth x height) mm

**A-box dimensions:** 56,6 x 19,6 x 25,1cm (width x depth x height) mm

**A-box weight:** 4222 g
