# Highlights

## 200°C professional temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

## Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.

## Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

## Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

## Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.
