PHILIPS

Highlights

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.

210°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Fast heat-up time

Straightener: Fast heat-up time, ready to use in 30 seconds

Professional 2100W

This 2100W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

6 heat/speed settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Slim styling nozzle

Perfect styling results and a shiny, polished look with a slim styling nozzle for precise styling.

Cool Shot sets your style

Dryer: Cool Shot sets your style

1.8m power cord length

Dryer: 1.8m power cord length

Automatic shut-off

With the automatic shut-off feature, the straightener will automatically switch off after one hour.
