Highlights

Floating Heads + ReflexAction

Independently floating heads ensure comfortable skin contact while the reflex action system automatically adjusts to the curves of your face and neck.

Lift & Cut

This unique dual blade system gently lifts hair into position for an incredibly close cut.

Lift & Cut

This unique Philips HQ912 dual blade system gently lifts hair into position for an incredibly close cut.

Self-sharpening blades

The blades sharpen themselves with each use to ensure a clean, close shave every time.

Anti-slip grip

The soft-touch slim fit handle with ribbed grips are designed to fit comfortably in your hand for maximum control.

Slim fit handle
