

Philips  
Bagless vacuum cleaner

1200W

FC8198/01

# Your convenient cleaning partner

## Compact and easy vacuum cleaner

Thanks to its ultra-compact design, this Philips vacuum cleaner is lightweight and easy to store. The additional top handle makes it convenient to lift and to carry. This is your partner for both small and big cleaning jobs.

### Easy to store

- Small and compact

### Easy to store

- Two parking hooks for horizontal and vertical storage

### Good cleaning results

- 1200 Watt motor generating high suction power

### Scratch protection for parquet floors

- Soft rubber wheels

### Convenient to carry

- Two comfortable carrying handles for extra convenience

# PHILIPS

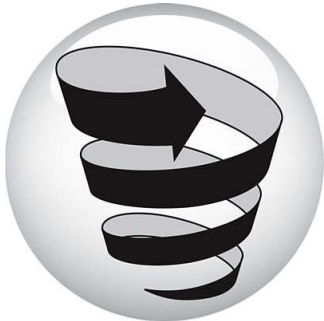

# Highlights

## 1200 W motor

This vacuum cleaner has an efficient 1200 Watt motor generating high suction power for good cleaning results.

## Bagless cyclonic filtration

The cyclonic airflow of this filtration system makes sure the filter doesn't get clogged easily. This guarantees longer-lasting cleaning performance.

## Comfortable carrying handles

This vacuum cleaner has not one, but two carrying handles. When it is on its wheels, there is a handle on top which enables you to easily move the cleaner around with very little bending. The second handle on the front side of the appliance enables you to comfortably carry it around in an upright position.

## Compact design

Thanks to its very compact design the appliance can easily be stored in small spaces and cupboards.

## Two parking hooks

With a parking hook on the rear and bottomside the appliance can be stored in different positions. The parking hook at the rear side is also very convenient for temporary parking of the tube during cleaning.

## Soft rubber wheels

This vacuum cleaner has rubber wheels making it glide smoothly over hard floors without the risk of scratches.

# Specifications
