Highlights

2000 Watt power, 425W

2000 Watt motor generating max. 425 Watt suction power

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimized airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.

ECARF Seal of Quality Award

This ECARF certified vacuum cleaner guarantees with 99.95% certainty that almost all the air in the room will be filtered along with the normal vacuum action. This removes almost all allergens from carpets, furniture, and other spaces in your house.

s-bag in XXL 4 liter

This large dust bag capacity allows you to make optimal use of your dust bag, which means you have to change your dust bag less frequently.
