- Bell rings when your water is ready
- Cordless 360° pirouette base for easy lifting and placing
- Hinged lid with large opening for easy filling and cleaning
- Pilot light illuminates when kettle is switched on

PHILIPS

Highlights

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready

Water level indicator

Easy to read water level indicator for left and right handed use.

Bell rings when water is ready

Bell sounds when your water has reached boiling point.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding steam contact.

Pilot light

Pilot light around the temperatur control knob illuminates, clearly indicating when the kettle is switched on.

Anti-limescale filter

The removable anti-limescale filter ensures the water you pour into your cup is clean.
