

Philips Viva Collection
Kettle

1.2 L 2400 W

Temp control
White orange
Hinged lid

HD4678/55

Great tasting hot drinks

With optimal temperature settings for your drink

For maximum flavor, a hot drink has to be made at an ideal temperature: green tea needs water up to 80°C, instant coffee 90°C and black tea, hot chocolate or soup 100°C. Turn the control knob to the right icon and enjoy your favorite drink.

Fast boiling and easy cleaning

- Flat heating element for fast boiling and easy cleaning
- Anti-calc filter for a clean cup of water

Safe to use

- Multi safety system
- Lid knob stays cool for a safe touch

Great tasting hot drinks

- Power cord winder for easy storage
- Kettle body illuminates once the kettle is switched on
- Hinged lid with large opening for easy filling and cleaning
- Pilot light indicates when the kettle is switched on
- One cup indicator to boil only the water you need

PHILIPS

Highlights

Manual temperature control

Temperature control knob to deliver maximum flavor for your drinks.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready

Water level indicators

Easy to read water level indicators on both sides of the Philips electric kettle for left and right handed use.

Illuminated water window

Kettle body radiates an elegant blue light once the kettle is switched on.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.

Cool wall for a safe touch

Lid knob stays cool for a safe touch

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding steam contact.

One cup indicator

Enabling consumers to boil the amount of water they need, and therefore saving up energy and water, contributing to a better environment.
