**HR7772/50**

# Great cooking, effortlessly

Food processor with color code cooking

The Philips Food Processor is the multifunctional answer to all your kitchen problems. The color coded accessories and speed settings help you to match the color of the speed with the color of the accessory for optimized results.

## **Effortlessly easy**

- Color coded accessory and speed combinations
- Up to 7 portions in 1 go with the XL bowl
- XL feeding tube takes whole fruits or vegetables
- 7 accessories to easily perform 30+ functions
- Easy cleaning after use

## **Powerful precision**

- 700 Watt motor to handle large quantities and heavy kneading
- 3 speed settings for optimal speed/accessory combination
- Pulse button for maximum control of end results

## **Reliably durable**

- Break resistant jar withstands intensive use
- Sturdy base stands stable, even with heavy kneading
- Dishwasher safe accessories

**PHILIPS**

Food processor  
700 W Compact 2 in 1 setup, 3.4 L bowl

HR7772/50

## Highlights

### Color coded accessories/speeds

Match the color of the speed with the color of the accessory for optimized results.

### 30+ functions

The – dishwasher safe - accessories are a kneading tool for mixing batter and for heavy kneading. A stainless steel chopping knife to prepare meat and vegetables. Two metal disks to handle medium and fine shredding and grating. Break resistant blender of 1.5l for blending, crushing up to stirring different ingredients. A citrus press for pressing citrus fruits. And a balloon beater for whipping and whisking and handling light batter.

### 700 W motor + 3 speeds + pulse

With the powerful 700W motor plus 3 speed settings and pulse button you can pick the right speed

### XL 3.4 L bowl

The XL bowl allows for maximum volumes to be processed in one go: capacity for 2 l soup, 1.7 kg dough, 7 eggwhites.

### XL feeding tube

The XL feeding tube takes whole fruits and vegetables so you don't need to pre-cut them anymore.

### Easy cleaning after use

Cleaning your food processor after use is easy. Simply pour some lukewarm water and washing-up liquid into the blender or bowl and press the Pulse button for a few seconds.

### 3 speed settings

With the powerful 700 W motor plus 3 speed settings and pulse button you can pick the right speed

### Break resistant jar

Breakages are avoided with this reinforced plastic jar.

### Dishwasher safe accessories

Dishwasher safe accessories

### Pulse button

Pulse button for maximum control of end results

### Sturdy base

The sturdy base comes with suction feet to ensure it does not move, even when you use it for heavy applications like kneading dough.
