PHILIPS

Hand blender
750 W ProMix (Titanium), 1 L Beaker, chopper, whisk, 20 speeds + Turbo

HR1661/90

Highlights

ProMix blending technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending.

Titanium coated blade

The new golden colored titanium coated blade is more than six times harder than its predecessors and three times harder than a Samurai sword. This ensures your blade stays sharper for even longer.

750 W motor

750W

Best-in-class motor for optimal food preparation.

20 speed settings

20 Speed settings for best performance.

Anti-splash blade guard

No splashes or mess while you blend.

Compact chopper accessory

With the compact chopper accessory of the Philips hand blender you can chop herbs, nuts, cheese, chocolate and onions.

Whisk accessory

Single whisk accessory for Philips hand blender for whipping cream, mayonnaise, pan cake batter and more. Makes your hand blender multifunctional and versatile.

Accessories separately available

The hand blender fits a wide range of brilliant accessories to save time and effort for busy families. Bringing small kitchens an advanced flexibility in preparing homemade dishes. Benefiting from a simple one-button 'release system', you easily and intuitively change between its handy range of accessories. The accessories range includes a XL chopper, compact chopper, whisk, potato masher, food processor accessory.

Extra powerful turbo button

The Philips hand blender has an extra powerful turbo button for the toughest ingredients.
