- Easy set-up and storage

Comfortable ironing

- Ergonomically and lightweight 1.2kg iron
- Non-stick soleplate coating

Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

PHILIPS

Highlights

Up to 4 bars steam pressure

Double your ironing speed with pressurized steam. Pressurized steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel. The iron is light (1.2kg) for an easy & comfortable ironing experience.

Easy set-up and storage

Easy set-up and storage

Safety carry lock

Your steam generator iron comes with a safety carry lock. You can lock your iron safely on the base, making it safer, reducing the risk of people touching the hot soleplate. You can also carry the steam generator easily.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Specifications

Easy to use

- Control: Temperature ready light
- Reaching tricky areas: Button groove, Steam tip
- Easy to set up and store: Carry-lock, Compact design, Easy cord and hose storage

Weight and dimensions

- Product weight: 5,5
- Product dimensions: 319 x 199 x 166

Technical specifications

- Frequency: 50-60
- Voltage: 220 - 240
- Boiler wattage: 1370
- Iron wattage: 800
- Start-up time: 6

Smooth gliding

- Soleplate: Non-stick soleplate

Comfortable ironing

- Cord length: 1,9 m
- Anti-scale management: Easy Rinse
- Ergonomic iron design: Ergonomically designed iron for comfortable ironing
- Hose length: 1.7 m
- Safe in use: Overheat safety stop
- Suitable for tap water
- Water tank capacity: 800 ml

Crease removal

- Continuous steam: Up to 90 gr/min
- Vertical Steam: Continuous vertical steam
- Soleplate: Optimal vent pattern
- Pressurised Steam: Up to 4 bar
