- Healthy air protect lock ensures healthy air always
- Healthy air protect alert warns you when to replace filter

Healthy Air

- Filters out ultrafine particles >20 nanometers*

Simplicity

- Easy-to-install filter

PHILIPS

Specifications

Weight and dimensions

- Product dimensions (W x D x H): 288 x 36 x 313 mm
- Product weight: 0.514 kg
- F-box weight (incl. product): 0.68 kg
- F-box dimensions (W x D x H): 298 x 45.5 x 324 mm

Design specifications

- Multi-care filter color: Dark purple (surface)

Logistic data

- Country of origin: China
- EAN F-box: 6923410732955
- 12 NC (China): 8834 16800710

Replacement

- For Philips air purifier(s): AC4081

Highlights

Filters out ultrafine particle

*In combination with the multi-care filter, the HEPA filter filters out ultrafine particles >20 nanometers including bacteria, dust, allergens and some viruses. According to publications of World Health Organization, the avian influenza, human influenza viruses and Legionella bacterium are larger than 20 nanometers.

Healthy air protect alert

Healthy air protect alert warns you immediately when it is time to replace the filter. When one of the filters is almost full and has to be cleaned or replaced, the Healthy air protect alert will remind you to replace or clean filter.

Healthy air protect lock

Healthy air protect lock function guarantees you healthy air always. It shuts off the purifier when healthy air can no longer be guaranteed. If the filter is not replaced promptly, the healthy air protect lock will shut off and lock the appliance to prevent secondary contamination due to a dirty filter. We guarantee healthy air always.

Easy-to-install
