Highlights

Linear motor

The Philips hair clipper is designed with a linear motor for constant, durable cutting power, time after time.

For hair & face

The Philips clipper gives you freedom to shape hair and beard styles, even up to a clean shave.

Stainless steel blades

Philips steel blades are designed to withstand chip and cracks, lasting up to 4 times longer*.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.

Adjustable blades

With a convenient thumb lever adjustment the blades can be set to achieve a bold cut as well as stubble trim without using a comb. Additional combs will give you additional freedom to play with multiple hair styles.

Non-slip grip

A smart textured handle for a comfortable grip.

Long cord

The 2.4m long cord gives you a great reach to easily move around while clipping.

Less cuts

The tips of the Philips blades are designed to reduce the risk of cuts while clipping your hair or beard.

Less bumps

The Philips clipper is designed to ensure less bumps while creating your own unique style. Making you feel proud and confident.

4 click-on hair combs

The clipper comes with 4 click-on hair combs. Select a desired length with each different comb and achieve a consistent smooth, even trim, time after time.
