## Highlights

### Dual Filter system

The Dual Filter system cleans hair, foam and gel. The unique double filter prevents hairs from clogging your shaving heads, maintaining your shaver's excellent performance.

### Active lubrication

The active lubrication system reduces friction and wear on shaving heads and blades, keeping your shaver performing like new for longer.

### More effective than water

The DualFiltration system and active lubrication leave your shaver up to 10 times cleaner than water alone

### Skin-friendly formula

The alcohol-free, skin-friendly formula gives you a fresh and hygienic shave, and it is designed to protect against skin irritation

### Fresh scent

The new cartridge liquid for the SmartClean system has a unique formula and a pleasant fragrance. It hygienically cleans your shaver, while leaving a fresh scent on your shaving heads.

### Cleans foam and gel

The Philips SmartClean system with cleaning cartridges is the first shaver cleaning system that effectively cleans shavers used with foam and gel.

### 6 months' supply

One Philips cleaning cartridge lasts up to 3 months with weekly usage. This 2-pack gives you 6 months of convenient cleaning.

### For all SmartClean systems

The cleaning cartridges are suitable for all shavers with the SmartClean system.
