FC6400/61

Vacuums and mops in one stroke

Always at hand to quickly clean daily messes

The new Philips PowerPro Aqua is a powerful cordless vacuum cleaner which does wet cleaning too. It combines vacuuming and mopping to quickly clean daily messes. Easy click on/off mopping system to vacuum only, or vacuum and mop in one go!

Always at hand and convenient for daily usage

- Cordless cleaning: freedom to clean everywhere
- Bagless: One-step empty dust bucket
- Instant click on/off mopping system to do wet cleaning
- High maneuverability and light weight for easy handling
- Suitable to use on all floors
- Powerful 14.4 V Lithium Ion batteries for long runtime
- Washable foam filter for life-long performance

Cleans everyday messes with vacuum and mop

- New mopping system with optimal wetness for all hard floors
- TriActive Turbo nozzle for powerful performance on carpets
- 3 layer filter technology captures micro particles
- PowerCyclone technology for high vacuum cleaning performance

PHILIPS

Highlights

PowerCyclone technology

The PowerCyclone technology delivers powerful vacuum cleaning performance in one go. Air enters rapidly into the PowerCyclone and is accelerated further through the curved air pass to effectively separate dust from air.

3 layer filter

3 layer washable filter can capture >90% of allergens like pollen, pet hair and dust, for a clean air.

One-step empty dust bucket

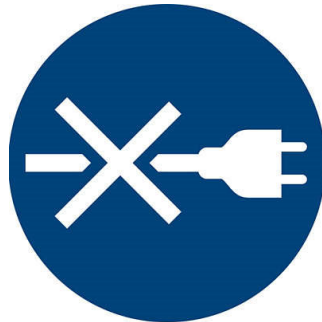

The new bagless PowerPro Aqua vacuum cleaner dispose dust from the dust bucket without touching the dirt.

Innovative mopping system

The unique mopping system controls the water release to maintain optimal wetness for all hard floors throughout the cleaning.

Cordless cleaning

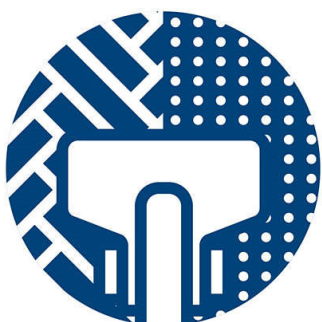

Without the cord, you are free to clean wherever you want on every type of floor.

Click on/off mopping system

With the magnet on the water tank, the mopping system is easily clicked on and off to the nozzle.

TriActive Turbo nozzle

The TriActive Turbo nozzle delivers powerful performance on hard floors and carpets. The motorized brush and the optimized airflow pick up all dirt and fluff in one go.

Powerful Lithium Ion battery

Cordless cleaning with powerful 14.4 V Lithium Ion batteries for 30 min run time. The cable is not a barrier anymore and you can easily clean different rooms without hassle.

Light and maneuverable

High maneuverability and light weight are ensured with the new PowerPro Aqua vacuum cleaner for easy handling.

Suitable to use on all floors

Vacuum all hard floors and carpets. Click on the water tank to mop all types of hard floors.
