Powerful shave, excellent comfort and closeness

Feel the force of V-Track Pro!

Join the resistance against pulling, with V-Track PRO to battle even longer hair. Our V-Track PRO - 72 self-sharpening V-shaped blades cut hair with less pulling even on a 3-day stubble.

Easy to use

- 60 min Cordless Shaving once fully charged
- 1-hour charging time
- Shaver can be rinsed clean under the tap
- 2-year guarantee, worldwide voltage and replaceable blades

Designed for perfection

- Heads flex in 8 different directions for a superb result
- 72 rotating blades capture and cut hair from all angles
- V-track Precision PRO for our best shave on a 3-day stubble

A comfortable and close end result

- Shave through dense parts of beard with 20% more power
- Get a comfortable dry or refreshing wet shave with Aquatec

Get the most out of your shaver

- Click-on trimmer for perfect mustache and sideburn trimming

PHILIPS

Wet and dry electric shaver

V-Track Precision PRO Blades 8-direction ContourDetectHeads, Turbo+ mode, SmartClick precision trimmer

Highlights

V-Track Precision PRO Blades

Get the perfect close shave. The V-Track Precision PRO Blades gently position each hair in the best cutting position on a 3-day stubble, even flat laying and different length of hairs. Cuts 30% closer in less strokes leaving your skin in great condition.

72 self-sharpening blades

72 self-sharpening blades. 151000 cuts per minute. Zero hairs left standing - no matter in which direction they're growing.

8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

60 min Cordless Shaving

You'll have 60 minutes of running time - that's about 20 shaves - on a one-hour charge. This shaver only operates in cordless mode.

1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

SW6700/14

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

SmartClick precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
