- V-track Precision PRO for our best shave on a 3-day stubble

#### Get the most out of your shaver

- Click-on trimmer for perfect mustache and sideburn trimming

# Highlights

## V-Track Precision PRO Blades

Get the perfect close shave. The V-Track Precision PRO Blades gently positions each hair in the best cutting position on a 3-day stubble, even flat laying and different length of hairs. Cuts 30% closer in less strokes leaving your skin in great condition.

## 72 self-sharpening blades

72 self-sharpening blades. 151000 cuts per minute. Zero hairs left standing - no matter in which direction they're growing.

## 8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

## Personal comfort settings

Choose between 3 modes to customize your shave: Sensitive - for a gentle, yet thorough shave. Normal - for a thorough, everyday shave. Fast - for a quick shave that saves you time.

## Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet - with gel or foam - even under the shower.

## 60 min Cordless Shaving

You'll have 60 minutes of running time - that's about 20 shaves - on a one-hour charge. This shaver only operates in cordless mode.

## 1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

## Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

## SmartClick precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.
