MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

5-direction Flex Heads

5-direction Flex Heads with 5 independent movements ensure close skin contact for a fast and close shave even on neck and jaw line.

SmartClick Beard Styler

Change your look with the SmartClick beard styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

50 minutes of cordless shaving

You'll have 50+ minutes of running time – that's about 17 shaves – on a one-hour charge. This shaver only operates in cordless mode.

1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.
