Whiter, healthier teeth

The ultimate toothbrush for whiter teeth

Everybody loves a bright white smile. Let the natural whiteness of your teeth shine through. Sonicare HealthyWhite electric toothbrush is proven to remove everyday stains in just two weeks, with the regular use of the Clean & White Mode.

Proven to improve oral health

- Clinically proven safe and gentle
- Naturally whiter teeth with patented sonic technology

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Provides a superior clean

- Sonicare dynamic cleaning action drives fluid between teeth
- Angled brush head neck for better reach to back teeth

Offers a customized brushing experience

- Easy-start program to acclimate to the Sonicare experience
- Clean and White Mode: proven to remove stains
- Clean Mode: Standard 2 minute mode
- Sensitive Mode: Gentle teeth and gum cleaning

Highlights

Naturally whiter teeth

The dynamic cleaning action of this toothbrush and the direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Clean and White Mode

2 minutes of Clean mode with an additional 30 seconds of White mode to focus on the visible front teeth. Removes everyday stains, such as coffee, tea, tobacco and red wine. Whitens teeth by 2 shades in just 2 weeks.*

Clean Mode

For exceptional everyday clean. Helps maintain whitening treatments.

Gentle teeth and gum cleaning

Philips Sonicare toothbrush with Sensitive Mode: Gentle, yet thorough cleaning for sensitive gums

Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle

Philips Sonicare is a gentle electric toothbrush for braces (brush heads wear out sooner when used on braces), and is safe for dental restorations (fillings, crowns, veneers) and periodontal pockets, too.

SmartTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth
