Safe for growing smiles

- Rubberised brush head is designed to protect young teeth

Highlights

Age-appropriate brush heads

This Philips Sonicare electric toothbrush has two brush head sizes that are specifically designed to gently clean and protect teeth as they grow

KidTimer

To help kids ease into a proper routine, this electric toothbrush slowly increases the brushing time over 90 days until it reaches the dentist-recommended 2 minutes to help instil healthy habits naturally.

Power modes

With two kid-friendly power modes, this power toothbrush provides proper cleaning for different ages; a low mode for younger children and a high mode for older kids.

Stickers

Allows kids to make each brush uniquely their own.

Maximum plaque removal

Philips Sonicare For Kids removes up to 75% more plaque than manual toothbrushes*

Multi grip design

Ergonomically designed to help kids brush properly on their own

Sonic technology

Features a unique dynamic action that gently and effectively reaches deep between teeth and along the gumline.

Preferred by the dental profession

91% of dental professional parents prefer Philips Sonicare For Kids for their own children**

Rubberised brush head

The rubberised brush head of this electric toothbrush is designed to help protect growing teeth

Anti-roll shape

Sturdy handle design allows kids to store it upright as well as apply toothpaste while the toothbrush is lying flat.
