Highlights

Whitens teeth

This Philips Sonicare toothbrush removes up to 100% more stains for whiter teeth in just 1 week.

DiamondClean brush head

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond-shaped, medium-stiffness bristles to effectively yet gently scrape away plaque. This Philips Sonicare electric toothbrush provides exceptional cleaning and whiter teeth compared to a manual toothbrush.

Clean and White mode

2-minute Clean mode offers the ultimate in plaque removal. (Dental professional recommended brushing time). White mode removes surface stains, brightens and

polishes teeth. Removes everyday stains such as coffee, tea, tobacco and red wine. Whitens teeth by 2 shades in just 2 weeks.

6 customisable settings

Philips Sonicare Stain Removal toothbrush allows you to mix and match modes (Clean mode, White mode) and 3 intensities for maximum comfort and your best clean.

Removes up to 7 x more plaque

Removes up to 7 times more plaque from hard-to-reach places than a manual toothbrush.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on, resulting in more consistent cleaning throughout your mouth

Smartimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

The only true sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gum line.
