Highlights

A powerful, gentle clean

Designed to remove plaque and food debris even from hard-to-reach areas. Leave your mouth feeling fresh and clean without the hassle of string flossing.

Cordless, compact design

Compact, ergonomic design offers a convenient solution for everyday flossing. Cordless handle allows for easy portability and flossing anywhere.

360° nozzle rotation

Access those hard-to-reach areas with a nozzle that rotates 360 degrees, so that you can use the device in any orientation.

3 intensity settings

Choose the clean that suits your smile. Adjustable intensity settings adapt for comfort and cleaning power.

250ml reservoir

Reservoir capacity of 250 ml holds enough water for a recommended 60-second clean. Simply twist and remove or use the side-fill door for easy refilling.

USB-C Charging

Convenient charging with a USB-C cable uses the same connection as most mobile phone or tablet. Get up to 14 days of cleaning from a single charge.
