Highlights

4 extra large air holes

ultra air is designed to allow maximum air flow, so your baby's sensitive skin can breathe.

Skin stays drier

Your little one's skin stays drier while soothing, thanks to this pacifier's breathable design which creates a maximum air flow.

Comfortable, rounded edges

The ultra air shield is lightweight and features rounded edges for your baby's comfort.

Nipple acceptance

Babies know what they like! We asked moms how their little ones respond to our textured silicone nipples and on average 98% said that their baby accepts the Philips Avent ultra soft and ultra air pacifiers.

Silky textured nipple

This pacifier's silky, textured silicone nipple soothes and comforts your little one.

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Easy sterilization & storage

The ultra air travel case doubles as a sterilizer, so all you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.
