Beautifully styled hair

- Protective ceramic coating
- EHD+ Technology
- Ionic Breeze Conditioning

Ease of use

- Free luxurious heat resistant pouch

Time saving

- It takes only few minutes for styler to be ready to use

Highlights

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

EHD+ Technology

EHD+ Technology heats evenly at high temperatures for professional results

Fast heat up time

It takes only few minutes for styler to be ready to use

Free luxurious pouch

Free luxurious heat resistant pouch

Ionic Breeze Conditioning

The ion conditioning feature surrounds your hair with negatively charged ions as you style, reducing frizz and static, and leaving your hair soft, smooth and shiny.
