PHILIPS

High speed blender

ProBlend Ultra technology Uniquely designed ProBlend Ultra blades, Strong 1500W power, ProBlend Ultra jar is designed with one-of-a-kind ribs

Highlights

Quick Cleaning Function

Activate cleaning function with a small amount of water and dish soap, enjoy hassle-free cleaning in just 2 minutes. Cleaning function removes even the stubborn residue like cake batters and nut butters.

2L jar capacity

2L glass jar with 1.8L effective capacity: so there's enough for all the family.

ProBlend Ultra Technology

ProBlend Ultra technology combines 3 features custom-designed to work perfectly together for ultimate variety of taste and texture just as you like it every time.

ProBlend Ultra Motor

The ProBlend Ultra motor delivers strong 1500W power to drive the blending flow and evenly circulate all ingredients.

ProBlend Ultra Blades

The ProBlend Ultra blades are uniquely designed with a combination of a serrated blade, for crushing hard ingredients into smaller pieces, and sharp blades for slicing them into the finest texture.

ProBlend Ultra Jar

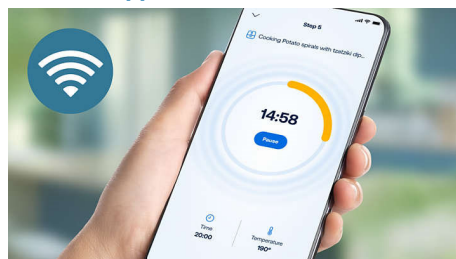

The ProBlend Ultra jar is designed with one-of-a-kind ribs to continuously guide ingredients back into the blending flow.

Quick Select Programs

Quick select programs on digital display are defined with time and speed setting so that your favorite recipes are at your fingertips. They include; smoothie, nut-butter, dessert, soup, sauce as well as ice-crushing and cleaning functions.

HomeID app

Download the HomeID app and discover hundreds of recipes for your new blender, including fresh ideas for drinks, snacks, desserts, or even whole meals. Making healthy food choices has never tasted so good, with simple but flavourful twists on all kinds of family favourites. From healthier chocolate desserts to nutritious main courses, HomeID has recipes you'll love.

Dishwasher safe parts

All detachable parts are dishwasher safe. ProBlend Ultra Blade is specially designed to prevent food particles getting trapped underneath the blades.
