- Stretch and Lift pattern for a great shave

Gently follows the contours of your face

- Gently follows the contours of your face

Highlights

Moisturize while you shave

NIVEA FOR MEN conditioner is dispensed through the shaving heads directly onto your skin, moisturizing it while shaving. The conditioner contains Natural Microtec which protects your skin against irritation

For a close shave

Gently follows the contours of your face for a close shave, even in hard to reach areas

Stretches skin and lifts hairs

The shaving heads have unique rings with a stretch and lift pattern that contributes to a great shave

Hot water opens the pores

You can shave in and out of the shower: Hot water opens your pores resulting in a close shave

Replaceable cartridge

Simply pump the NIVEA FOR MEN shaving conditioner from the refill can directly into the Advanced Skin Protection System
